ADDITIONAL INFORMATION AND DETAILED REPORT

August 10, 1977

The assigned spoke with New York City Detectives Edward Zigo and John Longo, who related that they were pursuing the .44 caliber homicide investigation in New York City and are here to interview one David Berkowitz, male white, 24 years, of 35 Pine Street, Apt. 7-E, relative to him receiving a traffic summons on his vehicle, a 1974 Ford, New York Reg. 561-XLB, yellow with a black vinyl top, which was issued to him shortly before and in the same area of the last .44 caliber killing in Brooklyn, New York.

Detectives Zigo and Longo were informed that this Department was conducting two investigations: No. 1 - Investigation of threatening letters received by one Samuel Carr of 316 Warburton Avenue; the first being issued on April 21, 1977, DD#: 2144-N - C&R#: 20,292, and the second investigation being a suspected arson, the complainant being one Craig Glassman of 35 Pine Street, which occurred on August 6, 1977, DD#: 4422-N - C&R#: 42,723.

Said Detectives proceeded to 35 Pine Street and thereat observed David Berkowitz' car parked near the main entrance and upon looking into same, they observed what appeared to be the butt end of a machine gun which was in a sack in the back seat. Det. Longo kept surveillance on the vehicle while Det. Zigo returned to this Division and notified his superiors, and Det. Michael Shilensky of the Legal Counsel of the New York City Police Department who responded to this office and made application for a search warrant of David Berkowitz' car and his apartment.

Inspector Dowd and Chief of Detectives Keenan also responded to 35 Pine Street and were in charge of Detectives at that scene. As they were drawing up the search warrant, David Berkowitz came out of his apartment at approximately 2115 hours and entered his vehicle and was immediately apprehended and placed under arrest. Berkowitz was conveyed to this office where he was advised of his constitutional rights by Det. Sgt. Frank Fernandes.

The assigned along with Det. Zigo and Shilensky, proceeded to the home of City Court Judge Robert W. Cacace where after reading the application of the two search warrants, he endorsed same.

The assigned along with said Detectives returned to 35 Pine Street, where David Berkowitz' vehicle was then searched. On the front seat, in a brown paper bag and wrapped in plastic a .44 caliber(Chart Arms Bulldog) revolver which was fully loaded was found. In the rear seat, a .45 caliber machine gun and several clips which were fully loaded with .45 caliber ammunition were found in a khaki colored gun sack. Letters and items of clothing were also found and all of which became the property of the New York City Police Department.

The assigned then proceeded to Apt. 7-E of 35 Pine Street, and entered with the key which was taken from David Berkowitz and entered the apartment, at which time, New York City Police Officers conducted a search and found one rifle, a shotgun, and boxes of ammunition. There were numerous writings on the wall along with personal papers apparently belonging to David Berkowitz which showed hatred for Sam Carr and Craig Glassman.

New York City Forensic Technician under the direction of Lt. Luisi responded to the place of occurrence and processed both the vehicle and the apartment and all evidence was handled by them. The apartment was secured by Det. Thomas Dugan and Andrew Cavallo of this Department, and the keys were left at the Detective Division.

CITY OF YONKERS, }

DET. EDWARD ZIGO, Shield No 2419 of the New York City Police Department
duly sworn, deposes and says: [REDACTED] being

1. I am a Detective in the New York City Police Department, and am a public servant of a type described in C.P.L. Section 690.05.

2. I have information based upon the following:

A. On August 1st, 1977 I was assigned to investigate a shooting incident which took place on July 31st, 1977 in the County of Kings, City and State of New York, in which one Stacey Moskowitz was killed and one Robert Violante was shot, as a result of which he lost sight in both eyes.

B. I have examined the files of the New York City Police Department regarding this shooting as well as twelve other shooting incidents which have taken place in the City of New York since 1976. As a result of these shooting incidents, including the one on July 31st, 1977, six people have been killed and seven other persons wounded by gun shot. Based on my examination of the files of the New York City Police Department, and other information it is my belief that all of these shootings were perpetrated by the same individual. This individual has become known as the "44 calibre Killer" or "the son of Sam". This perpetrator is described as a male, white, 25 to 32 years of age, 5'8"- 5'9" tall, 165-175 pounds, Clean shaven, dark eyes, dark hair, high cheek bones. In all of the above shooting incidents a firearm of .44 calibre was used. It is believed to be the "bulldog" model .44 calibre revolver. A copy of a composite photo which was prepared and circulated by the New York City Police Department is annexed hereto as "Exhibit A".

C. Your deponent in the course of investigation of the above described shooting incident which occurred in Brooklyn, New York, was informed by Detective Edward O'Sullivan Shield No. 646, Brooklyn Robbery Squad that a check of the records of the New York City Police

Department records reveal that at 2:05 A.M. on July 31, 1977, summons No. 749069532 was issued to a Yellow Ford, Blk Top, Registration in New York State, No.561-XLB. This summons was issued in the "200" block of Bay 17th Street, Brooklyn, New York. This is a few blocks away from the scene of the shooting incident which took place on July 31st, 1977 at approximately 2:45 A.M.

(U. F. 80)

- D. Your deponent cause a check of the New York Registration 561-XLB to be made. New York State Motor Vehicle Bureau computer reveals that this registration plate is registered to David R. Berkowitz, Date of Birth: June 1, 1953, at 35 Pine Street Yonkers, New York. The vehicle is described as a 1970 Ford, Yellow Sedan.
- E. Your deponent was present at the Yonkers Police Headquarters and on August 10th, 1977 had conversations with various members of the Yonkers Police Department, and Mr. Craig Glassman, Deputy Sheriff-Investigator Westchester County. Your deponent was informed by these individuals whose identity is known to your deponent, that David R. Berkowitz is a "Male, White, in his 20's, about 5'10"-6', approximately 170 pounds, brown hair."
- F. At 4:00P.M. on August 10, 1977, your deponent was present on Pine Street in Yonkers, New York and at that time observed a vehicle parked at the curb. Said vehicle was a 1970 Yellow 4 door Ford Sedan, with a Black vinyl top, with New York Registration plates 561-XLB affixed to it. Your deponent looked into said vehicle and observed a duffle-bag on the rear seat. Protruding from the duffle-bag was part of what appeared to be part of a rifle, possibly of a type, possession of which is illegal in New York State, (Article 265. New York State Penal Law). Your deponent further observed that the left rear door of said vehicle was open and further inspection of the firearm revealed that it appeared to be of a type which fires bullets automatically with a single pull of the trigger. Said weapon constitutes a machine gun under New York State law and possession thereof is a class C Felony under Section 265.03 New York State Penal Law.
- G. In addition to the above, your deponent observed a white envelope which had printed on it "Attention Suffolk County-NYPD and the press". Said lettering on the envelope appeared to your deponent to be the same as that on two notes which delivered to a member of the press and which "take credit for" the shooting which are hereinabove described.
- H. Your deponent further states that on August 10th, 1977 at approximately 8:00 P.M. he was present at No. 35 Pine Street Yonkers, New York, and at that time observed a doorbell, located in the lobby of said address, and a printed label bore the Legend "D. Berkowitz" and also bore the apartment "7E". Your deponent is further informed by Mr. Glassman that Mr. Berkowitz resides in apartment 7E of 35 Pine Street Yonkers, New York. Mr. Glassman has this knowledge because he also resides in said building.
- I. Your deponent further checked a telephone directory for the County of Westchester and it revealed that Mr. Berkowitz resides at 35 Pine Street Yonkers, New York and has listed to him telephone No. 423-8908.

3. Based upon the foregoing reliable information there is probable cause to believe that certain property, possession of which is unlawful, constitutes evidence and tends to connect and demonstrate that an offense was committed, to wit:

- A. .44 Calibre Revolver, "Bulldog" model
- B. Ammunition for said firearm
- C. Handwriting samples
- D. Documents, Writings and other records such as telephone

receipts, rent receipts evidencing dominion and control of apartment 7E of Premises 35 Pine Street Yonkers, New York and of a 1970 Ford Vehicle bearing New York Registration 561-XLB

E. Fingerprints and Palmprints,

is located in Apartment 7E of Premises 35 Pine Street Yonkers, New York.

There further exists probable cause to believe that the following property, possession of which is illegal, constitutes evidence and tends to connect and demonstrate that an offense was committed, to wit:

A. A Long firearm, of a type which is capable of being automatically fired,

B. Ammunition for said firearm

C. .44 Calibre Revolver, "Bulldog" model

D. Ammunition for said revolver

E. Handwriting samples

F. Fingerprints and palmprints

is located in a 1970 Ford Sedan bearing New York registration plates 561-XLB.

Request is further made that the warrant and order of contain a provision permitting execution thereof at any time of the day or night and that it further provide that entry to said premises and vehicle can be made without the executing officer being under the obligation of announcing his authority and purpose, in that because of the nature of the crimes being investigated and because of the potential dangerous nature of the items sought, to announce authority and purpose would constitute a substantial potential danger to the lives of the officer executing the warrant, or said property may be quickly destroyed.

WHEREFORE, I respectfully request that the Court issue warrants and orders of seizure in the form annexed, authorizing the search of David R. Berkowitz, premise 35 Pine Street Apartment 7E, Yonkers, New York and of vehicle: 1970 4dr Yellow Sedan, New York Registration 561-XLB and directing that such property herein described or evidence or any part thereof be found be seized and brought before the Court; together with such other and further relief that the court may deem proper.

No previous application in this matter has been made in this or any other court or to any other Judge, Justice or Magistrate.

August 16, 1977

TO: Chief of Police William F. Polsen

FROM: Deputy Chief William J. Farrington

SUBJECT: Transcription of taped telephone call made to Yonkers Police Headquarters on August 9, 1977, by Detective James Justus, 10th Homicide Zone, New York City Police Department, and received by Wheat Carr, a civilian employee of the Yonkers Police Department

From the tape:

This is Captain Owen McClain from the Yonkers Police Department Communications Division. I am recording an excerpt from a tape of August 9, 1977. This is a conversation between Detective Justus of the New York City Police Department and Public Safety Dispatcher Wheat Carr of the Yonkers Communications Division, and it commences at approximately 2020 hours, said date. Conversation ends at approximately 20:29:15 hours.

FEMALE: Police Headquarters, 63

MALE: Hello...this is Detective Justus, Brooklyn Police Department.

OPERATOR 63: Yes.

JUSTUS: We would like to get a notification made up there in Yonkers...

OPERATOR: Yes, alright, hold on...

FEMALE: Police Headquarters, 82..

JUSTUS: Yes, this is Detective Justus from the Brooklyn Robbery Squad, New York City Police Department.

OPERATOR 82: Yes...

JUSTUS: I'm working in the 10th Homicide Zone, now, on the 44 calibre killer...

OPERATOR 82: Yeah...

JUSTUS: ...and I'm trying to contact a party that lives up in Yonkers... who is possibly a witness to the crime down here. That's a Mr. David Berkowitz....

OPERATOR 82: Oh no...oh no....

JUSTUS: Do you know him?

TRANSCRIPTION - AUGUST 9, 1977.....continued

OPERATOR 82: heavy sigh.....Could I.....I was very involved....
This is the guy that I think is responsible.....

JUSTUS: David Berkowitz?

OPERATOR 82: ...is responsible...my father was down there, yest...Saturday.

JUSTUS: Yeah...

OPERATOR 82: ...and you also got information regar...is he at 35 Pine Street?

JUSTUS: Yes, dear...

OPERATOR 82: David Berkowitz, I don't know how you, or what, but my father went down to the 109th and you also...someone received information through uh...our Police Officers and that's because of some incidents involving shooting where we have reason to believe that this person is responsible. He also has written similar type threatening letters to the Sheriff's Investigator who recently moved into his apartment. So, I don't...

JUSTUS: Do you know David Berkowitz yourself?

OPERATOR 82: I don't know him, I, really, because of a shooting incident at my home and a fire bombing and threatening letters...

JUSTUS: At your home...

OPERATOR 82: ...and through investigation found out that this is probably the person...

JUSTUS: Did you notify the Police Department on it?

OPERATOR 82: Oh yeah, there are numerous reports on it, and information regarding this guy was given to your Department on Saturday.

JUSTUS: Yeah, well I am doing it another way, he got a summons down here, that night, right in the vicinity...

OPERATOR 82: Oh my God...he...he...you know, because we have seen him and he fits the description, this why my father went down there with his whole file....of copies of the letters we have received from him...and I believe that the Westchester County Sheriff's Department is now investigating him because he threatened a Sheriff's Investigator, my dog was shot with a .44 calibre bullet...

JUSTUS: Oh really?

OPERATOR 82: At least what was supposed to have been. The people who have seen it claim it was a .44...

JUSTUS: Ah...

OPERATOR 82: laughing...he...he...just scared me to death...now you are telling me he's a witness.....

JUSTUS: Well, we don't know, a possible witness, and from what you are telling me, a possible perpetrator....

TRANSCRIPTION - August 9, 1977.....continued...

OPERATOR 82: um....and he owns a yellow car...

JUSTUS: He has a yellow...yeah, I'd say a yellow Ford, I believe it is...

OPERATOR 82: Yeah, yeah, yeah...uhuh.....do you...the 109th, is that Brooklyn?

JUSTUS: No, that's Queens, we're working out of the 10th Homicide Zone in Brooklyn.

OPERATOR 82: Okay..well he went...my father went to the 109th on Saturday, okay...last week someone was up here at our Intelligence Unit and at that time spoke with Police Officers Chamberlain and Intervallo and they gave him information...just on a long shot, now, because he does resemble the picture.. I don't know him personally...

JUSTUS: Alright, so you know of Berkowitz....

OPERATOR 82: Right...

JUSTUS: ...through....

OPERATOR 82:.....incidents that have occurred that I have reason to believe that you could prove in court that he's responsible for a shooting incident at my home....

JUSTUS: ...Yonkers had at home and believes Berkowitz responsible...

OPERATOR 82: ...he happens to be... he either was or is now employed as a rent a cop like a security guard....

JUSTUS: rent a cop... you use the same terms we use down here? huh?

OPERATOR 82: Yeah.

JUSTUS: Your dog shot....

OPERATOR 82:...with a large calibre bullet...it's never been confirmed because you know how it happens, right? Seventeen people have seventeen different jobs and nobody gets together and its only in the last week that these two cops and I got together and put all the reports together and got the D.D. reports where he is doing everything...

JUSTUS: Let me ask you something, honey? With his name, do you have a pistol license bureau up there that would a.....

OPERATOR 82:....okay, supposedly he has a permit either to shoot by New York City or has an application now being processed in relation to this...

JUSTUS: ...in New York City....

OPERATOR 82:.....he holds no permit in the City of Yonkers at this time...

JUSTUS:...but possibly here in New York City...

OPERATOR 82: ...possibly because he was employed as a Security Guard. Well, you know who you should get in touch with, and if you will hold

TRANSCRIPTION - August 9, 1977....continued....

on a minute, I will find out when he is working...alright... it is either Police Officers Chamberlain and Intervallo who for their own reasons put this all together, just because it happens to be their sector where I live....

JUSTUS: Chamberlain or Intervallo?

OPERATOR 82: Yes.

JUSTUS: Would you be able to do me the honors, please?

OPERATOR 82: Well, I'll find out where they are, they are not working right now, I know that, okay, can you hold on a minute?

JUSTUS: Alright.

PAUSE.....

JUSTUS TALKING TO BACKGROUND PERSONS:

I have something beautiful here. I wanted to talk to this guy about a summons...lives up in Yonkers...I was talking to Yonkers to get a notification made and she says...oh no not him, He shot my dog with a .44 about a month ago, he's crazy, he's sending threatening letters to the Deputy Sheriff's Office....

OPERATOR 82: Could I get your name and I'll have one of them call you back?

Spill the blood of AN INNOCENT
ONE so that we, in the spirit,
shall go to thee and drink
her blood.

"I - 'The Master of The House'
of 18 Wicker Street, Yonkers,

to kill."

"I Am Foul, vile and Wicked."

Every murder in Westchester Count

All the manure in the Street, All
the vomitus in the Alleyways and

all the urine under the Stenched

says the Lord of 18 Wicker St.

Below Papa,
Father of Vomit,

I ~~heard~~ your smelly
mother last night.
She was outside below
my window shouting
her usual blend of
obscurities. Sam, you
have a terrible mother.
Why is she so perverted?

I smelled through
my window that rancid
odor of vomitus and
immediately I thought

of you and Wheat.

Tell me Papa God,
what fate awaits me?
I hope I never have
to spend it in your
attic again.

Sam my Lord, I've
heard that you had
pilled again in
New Jersey. But fear not
because I haven't
told the police about
the other Bergen County
clatter.

Today the Devil Dog at Wicker Street
is in great pain. Apparently Joquin
Soncalo is low on blood. Yes,
I'm right. The Dog is screaming for
fresh blood and meat to quench
his thirst and pangs of hunger.

I said to Joquin, why all the
suffering and pain? Why do you bring
so much destruction into the world?
Joquin laughed, "to hell with the
people of the world, the people of
the world shall bow down to me
and I shall conquer."

I said to him you evil beast
and the Wicked Wicker Dog cried
out ~~and~~ saying "yes, we are evil,
we are the Children of Satan,
we kill the innocent, and praise
the guilty." At this time the dog
barked fierce cries and my
head developed a severe pain.
I was no longer permitted to

All day long the Devil Dog as been
yelling in pain - there is no
ceasing. I begged the Wicker-
street cult to leave me alone.
I am there alone. Today the
demon has not stopped for a
moment. How much blood does
he want me to spill for him?

Dear Mayor Beam,

My name is David Berkowitz and I am writing you with the utmost urgency. There is little time left in the world because demons (Sam Can, 316 Vanburton Ave., Yonkers), (Jack Cassara, 74 Coligni Ave., New Rochelle, N.Y. have taken a strong hold in the government.

I am a dedicated bloodicator who will fight the forces of darkness in the ends of the earth. However, I need your help. We must work together to help the public and warn them of "Sam" the terrible foe of the people.

Sam Can, John Wheat, Jack and
Wann Cassara, and Craig Glassman
all know each other.

According to the voices I heard
one of them, a demon, stated that
Sam Can strangled young people
and buried them behind Sam's
house. These people are just bones
now however, I can hear them
calling out my name and beckoning
me to join them. They are all
bones now but I can hear them
calling me. Surely Sam can't be killed

them and drink their blood.

See, I told you Sam is a thirsty
lad.

id, David Berkowitz am merely a tool
for Satan the devil. But perhaps
God has spared my life to an extent
for a heavenly purpose.

Though I am suffering now,
I want to help the people and
warn them of the dangers of
Black Magic and the hopes that
others will see the light and trust
in God.

Please help warn the world of
the terror that is in Sam. Please
help me

Sincerely
David B

Gentlemen:

My name is Francis Can and although I'm not as young as I used to be, I can still get into perverted sex scenes real good.

I believe I'm the one you looking for in your upcoming porno movie "Sweet Tootsie".

I can do all types of acrobatic stunts in bed and I will copulate anything except turtles and mice.

I love bondage and sado masochism.

Please contact me as soon as possible so I can audition. Thank you.

Sincerely
Francis Can

Mr. Sam Can;

April 10, 1977

This letter is to inform you that I am in the process of filing legal papers in Yonkers City Court to have one of your dogs removed from your property because he is a public nuisance. I have already spoken to the people of the humane society of Westchester and they agree with my actions.

You're probably thinking that I am some kind of animal hater or I'm a cruel person but that isn't true. Let me tell you that I love animals very much. However, one of your dogs, and you know which one, is obviously very sick or is being treated badly. He howls and barks constantly for hours at a time and there is no reason for it. If he's sick, take him to a vet. If he cannot be left alone then don't leave him alone. ~~But~~ And if it's because you mistreat him then maybe it's best you just give him up.

When my wife and I set up our

the property to other homes and disturbs
the peace of others. Matter-of-factly,
I can hear that dog barking for blocks
and blocks away.

We do hope that you will cooperate
with us to solve the problem.

We wish to remain
anonymous for
personal reasons.
Thank you.

Samuel Can,

4/19/77

I have asked you kindly to stop that dog from howling all day long, yet he continues to do so. I pleaded with you. I told you how it is destroying my family - We have no peace, no rest.

Now I know what kind of person you are, and what kind of family you are. You are cruel and inconsiderate. You have no love for any other human beings. You selfish, Mr. Can.

My life is destroyed now. I have nothing to lose anymore. I can see that there shall be no peace in my life, or my families life until I end yours.

You wicked evil man - child of the devil. I curse you and your family forever. I pray to God that he takes your whole family off the face of the earth. People like you should not be allowed to live on this planet.

A Citizen

of 8/1/77 V

I must get this job done.
This is the last assignment, the last mission. Once it is finished I will be of no use to Sam Can and I will be destroyed.

I do not fear Death for I do not wish to go back to my apartment, ever. Never again will I have to give my life to Craig.

However, I will do my best to come out of this alive because as one columnist said, "someone must pay for these horrendous crimes."

From the Bronx to Water Mill, New York no soul shall be safe.

I would also like to meet with the task force personally, not that I have anything to say to them but it's only fair we meet face to face. I wonder if they will take me on a brief tour of their war room?

Perhaps the hidden secrets of the Can house will never be known. Those hideous blood monsters who lurk in the woodwork and under

those rotting floor boards, yes, they
will still line on.

At this time Craig is awaiting
as anxiously by his T.V., ready to
take command.

Bullets crackle in a quiet town.
The sounds of running feet and screams
of anguish fill the air. Huge streams
of blood travel down curvaceous
buttocks, bosoms bouncing, bullets
flying into the night coldly seeking
flesh and bone, yes, its terror in
the night. Sergeant Craig is terror!

Who has brought the wrath to this
town? Where is the "Great Lord Bloomingdale's
their Saviour. Why has God forsaken this
~~town~~ place?

For truly there has never been peace
in the Ham Hamptons, inner peace I mean.
They aren't a sensual people but they
are full filled with rage and jealousy.

So let New Yorkers everywhere gather
together, gather to battle the unseen

forces that roam their neighborhoods
at night and seek to imprison
their children in coffins. Let them
hunt & down the Son of Sam and
the mysteries thereof.

Truly nobody knows what time it
is. For the end of Sam is drawing
nigh. Yet, the police continue to
hunt and trap. ~~not knowing the~~
The Inspector continues to work
feverishly trying to unravel the
mystery but, would he dare to
believe that by sunrise of the
next morning he will be holding
that .44. ~~The son~~
The curtain always closes quickly
when the stars walk off or die.

Hamptons

In the aftermath the Chamber of
Commerce will have to count their
dead and file a report. Reporters will
be swarming the streets snapping
pictures of dark red spots on
the ground which symbolize where
people once stood. Perhaps a

headquarters at 18 Wicker Street.

7:31 AM. Here it comes. The howls
have signaled another attack - a
gas station on Central Park Avenue.

Wait! What's this? No, continual
mowing-barks! - it must have been a
double hit. Yes, a Yonkers Policeman's
brain has just been splattered all
over Midland Avenue - a sniper
obviously. Dirty commie's.

It's 7:45 AM. and I'm tired and
hungry. I wish I could get some
shut-eye but, I'm a soldier and
soldiers can never sleep. However,
if I did try and sneak some sleep
and I was caught in the act,
I'd probably be shot because the
general at 18 Wicker Street wants
all his men awake. He never lets
us sleep lest ^{the} commie's should
sneak up on us and cut our throats.
